25: Milestones Math

27: Milestones Science

29: Milestones Social Studies

**PLEASE DO EVERYTHING YOU CAN TO MAKE SURE YOUR CHILD IS AT SCHOOL THROUGHOUT TESTING. ON THE DAYS WE ARE NOT TESTING, WE WILL BE REVIEWING INFORMATION FROM EARLIER IN THE YEAR. IT'S IMPERATIVE THAT THE KIDS ARE PRESENT EVERY DAY.**

© THANK YOU!

## CONVERSATION STARTERS

What is something you and your family have recently done to help the community?

What are some ways you can make your community better?

What are some ways you have shown commitment to your learning?

What is a topic sentence? Why is it important?

What is a concluding sentence?

What is the difference between area and perimeter?

What is an answer statement?

What is our 7Cs word of the month?

In what ways can you show you are working on the word of the month?

How many assignments/problems have you completed on TenMarks this week/month?

How many quizzes have you taken on ReadTheory this week/month?

What are your current academic goals?

## \*READ, READ, READ\*

Make sure your child is reading EVERY evening for at least 20 minutes from a book that is within their Lexile range.

They will have some pretty long passages to read on the Milestones test, so they really need to increase their level of reading "endurance".

Thank you for your help!

## Let the countdown begin!

**As we prepare for the end of the year, please check in with your child frequently about their math and fluency goals. The ILPs (Individual Learning Plans) will be shared at the upcoming conferences which will let you know if your child has met their goal.**

## REMEMBER:

**SEND ME AN EMAIL IF YOU'D LIKE TO MEET AND DISCUSS MILESTONES TESTING. I'M AVAILABLE SOME DAYS BEFORE SCHOOL AND MOST DAYS AFTER SCHOOL. SEND ME A COUPLE DAYS/TIMES THAT WORK FOR YOU, AND I'LL SET UP A MEETING.**
