## What We're Studying

\*Using number lines and clocks to solve problems and represent elapsed time

\*Problem solving with multiplication and division

\*Using Peter Pan to analyze story elements (character motivations, vocabulary)

\*Analyzing magazine features

\*Providing and accepting appropriate feedback to revise and modify my work

\*Exploring Heat

## CONVERSATION STARTERS

In what ways can I show commitment to my education?

What are the Habits of Scholarship?

In what ways am I a role model?

What does it mean to analyze text?

What goals have I set for myself?

In what ways can I work toward reaching my goals?

Why is it important to set goals?

How is a clock like a number line?

How can I provide evidence to support my thinking?

*We're collecting  
canned goods and non-  
perishable items to  
help others in need.  
Any help is greatly  
appreciated.*

Let's eat grandma!

Let's eat, grandma!

**PUNCTUATION  
SAVES LIVES!**
